Friends in our Community,

We will be having our "Lunches to Go" program again this Summer. It will start on June 7 and continue until August 22. We added Thursdays this year, that means Monday through Friday the children of Dubuque will be able to receive a lunch at no charge for the entire Summer. The only day we won't be serving is Wednesday, July 4.

Please spread the word to your clients.

Blessings!

Theresa Caldwell, Manager
